

CONVENTION 1982: A MAJOR CHANGE: Our next convention will be Oct. 22-23 at Holiday Inn-North, Newark International Airport, right off Exit 14, N J Tpke. After 4 years in Bridgeport and 10 years in Conn., we decided to try a new area. From NY and the airports it is much closer and more convenient. It is not in Newark but all by itself just north of the airport...The general type of program will be the same. Friday's cost is \$15 including a buffet dinner with ziti and meatballs. Saturday will be \$24 including dinner with 3 main dishes, morning coffee, hors d'oeuvres. Rooms will be \$45/49 and should be reserved. No deposit required. Let me know what nights, names of people, single or double and I will send in reservation card for you...We are going to try to get Hugh Marlowe as one of our guests. We need help in getting publicity in the NY-NJ area. There is a possibility the NBHF will hold their program on the 24th at the same place...Ideas for some workshops are to highlight certain radio series. If you are an authority on a particular series or performer and would like to conduct a short program on Friday or Saturday, please let me know. Terry Solomonson has tentatively agreed to do ESCAPE...The Holiday Inn is easy to get to by mass transit. Buses and planes go to the Newark airport and the HI has a shuttle bus to and from.
